INTRODUCTION

The petitioner appeals the decision by the Department of Social Welfare denying her medicaid coverage for an in vitro fertilization procedure. The issue is whether this procedure is a covered item under the pertinent medicaid regulations. The petitioner's claim is identical to the one she raised in Fair Hearing No. 13,287, decided by the Board on January 19, 1995. Inasmuch as the petitioner's present claim raises no new facts or legal arguments, the Board's decision in Fair Hearing No. 13,287 is incorporated herein in its entirety.

ORDER

For the reasons set forth in Fair Hearing No. 13,287, the Department's decision in this matter is affirmed.
