P-2220 Documentation of Eligibility Decisions (Continued)

B. Reapplications

In addition to following the procedures under “Grants” above, the worker will need to:

- on the APPL:
- enter “Y” for any program applied for; and
- enter the new date of application in the field under each program name.
- on each STAT MEMB panel:
 - enter “X” for any program to be reinstated;
- enter appropriate CASE-ASSISTANCE-MEMBER code; and
- enter appropriate WIN-REG (or FS-REG) code.

NOTE: Re-entering and re-coding these fields is required because as soon as the closure was approved, ACCESS changed or removed them to show the case inactive.

For Group 3 members who have reached their time limits. ACCESS will redetermine the Work Requirement hours. See P-2336 I. ACCESS will use either the ANFC amount two months prior to reapplication or, if there is no eligibility in that month, the ANFC amount prior to proration in the first month of new eligibility.
