

State of Vermont Human Services – FFY 2024
Block Grant and State Plan Applications

Community Mental Health Services Block Grant

The Community Mental Health Services Block Grant application will be submitted as required by the DHHS Substance Abuse and Mental Health Services Administration (SAMHSA). The FFY 2023 application is serving as the FFY 2024 draft application for the purposes of the public block grant hearing. Per SAMHSA requirement, one programmatic change that will be undertaken is the creation of a Coordinated Specialty Care program in Vermont to serve individuals with first episode psychosis and early serious mental illness. Funds from the FFY 2024 required 10 percent set aside will be utilized for the creation of this program.
