Re: Summary of Changes from proposed to final proposed rule filing for Health Benefits Eligibility and Enrollment (HBEE) rules ([GCR 22-029 through 22-033](#))

In addition to the changes being made in response to public comments (see responsiveness summary), additional changes are being made to correct technical and typographical errors.

The following is a list of these additional changes and the reasons for them. All changes being made in HBEE rule are identified in **gray highlight** in the annotated version of the final proposed rule being filed contemporaneously herewith.

The changes, in order by section number, are as follows:

PART TWO

Section 8.05(k)(6)(iii) – To align more closely with federal law at 42 CFR § 435.225(b), add “the” before “appropriate” on the first line of text; replace “medical care in the community” with “institutional level of care outside of a medical institution;” add “and” before “the” on the second line of text; add “estimated Medicaid” before “cost” on the second line of text; replace “of which” with “of such care” after “cost” on the second line of text; add “Medicaid” before “cost” on the third line of text; replace “medical care in an appropriate medical institution” with “appropriate institutional care.”

PART THREE

Section 17.03(c)(6) – To improve clarity, change “the” to “their” on the first line of text; to align with revisions being made in Section 3.00 (to definition of “pregnant woman”) and Section 7.03(a)(2), delete “60-day” on the first line of text

Section 18.03(b) – To align with revisions being made in Section 3.00 (to definition of “pregnant woman”) and Section 7.03(a)(2), change “60-day” to “post partum” on the fourth line of text; to improve clarity, add “,” after “period” on the fourth line of text; to improve clarity, add “,” after “delivery” on the fifth line of text
