## **Non-Emergency Transportation Temporary Rate Increase**

### **Policy Summary:**

The Vermont Medicaid program proposes to temporarily increase the per member, per week (PMPW) rate for non-emergency medical transportation (NEMT) services. Beginning on payment date June 14, 2024, through payment date June 28, 2024, the rate paid will be an enhanced rate of \$106.25. Following the temporary rate increase, the prevailing PMPW rate of \$40.00 will be in effect. The contract with Vermont Medicaid's NEMT Broker, Vermont Public Transit Association (VPTA), is being amended to reflect this temporary increase to the PMPW rate. This payment rate update was required under Act No. 113 Sec. C.101 of 2024 and is consistent with the SFY 2024 appropriation provided by the Vermont Legislature to cover provider costs and maintain service provider stability.
