VERMONT HUMAN SERVICES PLAN - FY 2012

FEDERAL ASSURANCES & DOCUMENTATION

PREFACE

This document has been constructed for use with the FY 12 Vermont Human Services Plan and is an integral part of that plan. Preparation of the Vermont Human Services Plan is part of the National Planning Requirements Reform Project sponsored by the Council of State Planning Agencies (an affiliate of the National Governor's Association) and the U.S. Department of Health and Human Services.

This document includes the state plans for three categorical programs and seven block grants. It also reduces the state's cost for administration and management. In addition, it will reduce the amount of paperwork and review time at the federal level and "free up" time which can be spent on substantive program planning issues. The use of this new format simplifies state planning with no loss of federal and state accountability for programs.

This document is divided into three sections:

- Assurances common to most federal programs. Each assurance is made in reference to the appropriate federal regulation.
- Program Specific Assurances include federally mandated assurances that are unique to a particular categorical program or block grant and block grant applications.
- Program Specific Documentation includes all other information required by federal regulation that is not accounted for in the main narrative section of the plan or in the assurances.

It is intended that this document will be submitted once annually and resubmitted only as changes occur. Reference documents which are not submitted as Program Specific Documentation are on file at the central office of the Vermont Agency of Human Services and at the appropriate federal offices.

**OMB Approval No. 0937-0189
Expiration Date: July 31, 2012**

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable Federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this certification, the offeror/contractor (for acquisitions) or applicant/grantee (for grants) certifies that the submitting organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The submitting organization agrees that it will require that the language of this certification be included in any sub awards which contain provisions for children's services and that all sub recipients shall certify accordingly.
