## **Mobile Crisis Services Survey**

Vermont has a federal grant to support the expansion of community-based mobile crisis intervention services. This funding provides an opportunity to build on Vermont's mobile crisis system of care.

The Agency of Human Services (AHS) wants to hear your thoughts and experiences about mobile crisis services. Your input is vital in helping Vermont improve services. On behalf of AHS, Health Management Associates (HMA) is conducting this survey. The survey will take about 15 minutes to complete. [The mobile crisis survey can be found here.](#)

For more information about the project, please visit the [AHS mobile crisis planning grant website](#) and [view the recording of the Virtual Town Hall](#).

Please contact Raisa Alam of Health Management Associates (HMA) if you need help with the survey. She can be reached at [ralam@healthmanagement.com](mailto:ralam@healthmanagement.com).

All individual survey responses will be kept confidential. The state will not identify individuals or organizations and no personal information will be shared.

The survey will close **Friday, April 29, 2022**.
