## **Vermont Medicaid Coverage of Housing-Related Administrative Activities**

### **Policy Summary:**

Medicaid rates must be based on the utilization and delivery of Medicaid-covered services provided to individuals enrolled in Vermont Medicaid. Administrative activities meant to support the provision of Medicaid-covered services to enrolled individuals may also be incorporated into a Medicaid rate.

The Center for Medicare and Medicaid Services does not permit Vermont Medicaid to pay for housing (such as shelter costs) as a Medicaid-covered service. By extension, Vermont Medicaid cannot pay for the administrative activities related to housing (such as shelter administration).
