Children's Integrated Services Rate Update

Policy Summary:

The Agency of Human Services (AHS) modified case rates for two Children's Integrated Services (CIS) provider regions to bring CIS reimbursement into closer alignment across the state. CIS provides health promotion, prevention, and early intervention services to pregnant and postpartum individuals, infants and children birth to age six. In addition to streamlining program requirements and administration for early childhood services, CIS also combines Medicaid funding for covered services to create a single case rate within each region. This update increases per-member per-month (PMPM) reimbursement for the Morrisville region from \$434 to \$471.17 and decreases PMPM reimbursement for the Northeast Kingdom region from \$744.89 to \$646.08.
